

AUTHORIZATION FOR THE PROCESSING OF PERSONAL DATA

In addition and complement to the previously granted authorizations, I expressly and previously without any payment or retribution to CORFICOLOMBIANA S.A., FIDUCIARIA CORFICOLOMBIANA S.A. AND CASA DE BOLSA S.A. (hereinafter "THE ENTITIES"), their successors, assignees in any capacity or whoever represents their rights, authorize to Process my Personal Data in the manner and for the purposes indicated below. This authorization for the Processing of my Personal Data is extended to the entities that make up the AVAL Financial Conglomerate, as well as entities that are part of the Sarmiento Angulo Business Group, listed for consultation on the following links: <https://www.corficolombiana.com/data-processsing-policy>; <https://www.fiduciariacorficolombiana.com/tratamiento-de-datos-personales>; <https://www.casadebolsa.com.co/tratamiento-de-datos-personales> (hereinafter "THE AUTHORIZED ENTITIES"). For purposes of this authorization, "Personal Data" is understood as the personal information provided by any means, including, but not limited to, financial, credit, commercial, professional, sensitive (such as my fingerprints, image, voice, among others), technical and administrative, private, semi-private or of any nature, past, present or future, contained in any physical, digital or electronic media, including but not limited to documents, photos, USB memories, recordings, biometric data, e-mails, and video recordings. Also, "Processing" is understood as collecting, consulting, compiling, evaluating, cataloging, classifying, sorting, ordering, recording, storing, updating, modifying, clarifying, reporting, informing, analyzing, processing, requesting, verifying, withdrawing, in physical, digital, electronic or any other media. The authorization that I hereby grant for the Processing of my Personal Data will have the following purposes: a. Promote, market or offer, individually or jointly, own products and/or services or those offered in commercial alliance with other entities belonging to the AVAL financial conglomerate, through any means or channel, or to complement, optimize or deepen the portfolio of products and/or services currently offered. b. As an element of analysis in pre-contractual, contractual and post-contractual stages to establish and/or maintain any contractual relationship, including as part of it, the following purposes: i. Update databases and process the opening and/or engaging of products and/or services in THE ENTITIES or in any of THE AUTHORIZED ENTITIES, ii. Evaluate risks derived from the potential contractual relationship, in force or terminated, iii. Perform, validate, authorize or verify transactions including, when required, the consultation and reproduction of sensitive data such as fingerprint, image or voice, iv. Obtain knowledge of the commercial or transactional profile of the data subject, the birth, modification, conclusion and/or extinction of direct, contingent or indirect obligations, the breach of the obligations acquired with THE ENTITIES or with any third party, as well as any new developments in relation to such obligations, payment habits and credit behavior with THE ENTITIES and/or third parties. v. Know the status of the current active or passive operations or of any nature or those that in the future I may enter into with THE ENTITIES or with any of THE AUTHORIZED ENTITIES, with any information operator or database administrator or any other similar entity that may be established in the future and whose purpose is any of the aforementioned activities, vi. Know information about my management of checking accounts, savings, deposits, credit cards, commercial behavior, labor and other products or services and, in general, about the compliance and management of my credits and obligations, regardless of their nature. This authorization includes information regarding the management, status, fulfillment of relationships, agreements and services, payment habits, including contributions to the social security system, obligations and current debts, overdue without payment, processes, or the improper use of financial services. vii. Prevent money laundering, terrorism financing, as well as detect fraud and other illegal activities, viii. Comply with its legal and contractual obligations, ix. Exercise its rights, including those related to judicial and out-of-court collection activities and related actions to obtain the payment of the obligations of the data subject or his/her employer, if applicable, x. Implementation of software and technological services. For the purposes of the provisions of this letter b, THE ENTITIES as applicable, may carry out the Processing of my Personal Data before consulting entities, which handle or manage databases for the legally defined purposes, domiciled in Colombia or abroad, whether natural persons or legal entities, Colombian or foreign, c. Carry out cross-selling of products and/or services offered by THE ENTITIES or by any of THE AUTHORIZED ENTITIES, d. Elaborate and report statistical information, satisfaction surveys, studies and market analysis, including the possibility of contacting me for such purposes, e. Send messages, notifications or alerts through any means to send statements, disclose legal information, security, promotions, commercial, advertising, marketing, institutional or financial education campaigns, raffles, events or other benefits and inform the holder about the innovations made in their products and/or services, to inform about improvements or changes in their service channels, as well as to inform about other services and/or products offered by THE ENTITIES or THE AUTHORIZED ENTITIES, f. Carry out the relevant procedures, including the collection, delivery, supply, transfer or transmission of information to public or private, national or foreign authorities, when required to comply with legal, regulatory duties or with the intention of collaboration with such authorities, including, among others, those relating to the prevention and detection of tax evasion, national or foreign corruption, money laundering and terrorism financing, other activities necessary for the full performance of the functions of the authorities or other similar purposes, as well as to carry out the activities necessary to mitigate the effects of such situations if they occur, g. validate information with the different databases of THE ENTITIES, of THE AUTHORIZED ENTITIES, of state authorities and/or entities and of third parties such as information operators and other entities that are part of the Integral Social Security System, companies providing public services and mobile telephony, among others, to develop the activities of their main and related corporate purpose, and/or comply with legal obligations, h. So that my Personal Data may be used as evidentiary means. The Personal Data provided may circulate and be transferred to all areas of THE ENTITIES or to the areas of THE AUTHORIZED ENTITIES, including service providers, network users, distribution networks and persons who carry out the promotion of their products and services, including call centers, domiciled in Colombia or abroad, whether natural or legal persons, Colombian or foreign, to their commercial force, telemarketing teams and/or data processors working on behalf of THE ENTITIES or THE AUTHORIZED ENTITIES, including but not limited to, contractors, delegates, outsourcing, network of offices, in order to develop systems hosting, maintenance services, analysis services, messaging services by email or mail, delivery services, payment transaction management, collection, among others.

Consequently, the subject understands and accepts that by means of this authorization he grants these third parties authorization to access their Personal Data to the extent that they require so for the provision of the services for which they were contracted and subject to the fulfillment of the duties that correspond to them as processors of the Processing of my Personal Data. Likewise, I authorize **THE ENTITIES** to share my Personal Data with the trade guild entities to which the entity belongs, for commercial, statistical and marketing study and analysis purposes. It is understood that the aforementioned natural and legal persons, national and foreign, before whom **THE ENTITIES** may carry out the Processing of my Personal Data, also have my authorization to allow such Processing. Additionally, by granting this authorization, I hereby state: **(i)** that the Personal Data provided is truthful, verifiable and complete, **(ii)** that I know and understand that the provision of this authorization is voluntary, reason why I am not obliged to grant this authorization, **(iii)** that I know and understand that by simply submitting a written communication I may limit in whole or in part the scope of this authorization so that, among others, it is granted only to **THE ENTITIES** but not to **THE AUTHORIZED ENTITIES**, and **(iv)** that I have been informed about my rights to know, update and rectify my Personal Data, the optional nature of my answers to the questions that are asked when they deal with sensitive data or data of children or teenagers, request proof of the authorization granted for processing, be informed about the use that has been given to them, file complaints with the competent authority for violation of law once I have exhausted the consultation process or complaint to **THE ENTITIES**, revoke this authorization, request the deletion of their data in cases where appropriate and exercise my constitutional and legal rights and guarantees free of charge. **THE ENTITIES** inform that the processing of your Personal Data will be carried out in accordance with the policy of the entity on this matter, which can be consulted on the **home page of its website**. For the exercise of your rights, and attention to queries and complaints, you can use the channels enabled by **THE ENTITIES**; through the following channels of assistance.
